Protects you from Viruses, Bacteria & Germs Anytime, Anywhere!

WARNING & SAFETY

- A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Please put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
- **DANGER:** Risk Group 3 Ultra Violet product. These lamps emit high power UV radiation that can cause severe injury to skin and eyes. Avoid eye and skin exposure to unshielded product. Use only in an enclosed environment that shields users from the radiation.
- Lamp contains mercury. Manage in Accord with Disposal Laws.
